Staffing information

Mrs Wilkes SSA

This year we bid a fond but sad farewell to a member of staff who has been with the school for over a decade. Mrs Wilkes has been a Special Support Teacher Assistant for thirteen years. She has worked closely with class teachers adapting the class work so each child that she works with on a 1:1 basis can feel fully included. This type of work reaps great rewards especially when you see a child take pride in each significant step they make over the year growing in confidence.

She is moving into a new profession, working with vulnerable, elderly members of our community, we know she will be amazing in

this new role though she will be missed!

The Alzheimer's Society says Thank You

Dear Students & Parents of St Joseph and St Bede Primary School

You're nicer than icing, thank you for paying in your fundraising from your very own Cupcake Day! We hope you enjoyed a day of cupcake heaven with your fellow cupcake lovers. The one thing we want to say – above all – is thank you for the money you've raised.

We've received the tremendous £360.00 you raised for Cupcake Day. That means more research, more support and more hope for people with dementia.

'Thank you for helping make cupcake day a scrumptious success! Every crumb you made and every penny you raised really does count.' **Ruth Jones, actor, writer and cupcaker**

Best wishes
