

Sports Premium Overview Statement St Joseph & St Bede RC Primary School 2016-2017

Primary PE Sport Grant Awarded	
Total Number of Pupils on Role	325
Total number of pupils eligible for PE Sports Grant (PPSG)	275
Total amount of PPSG	£9,375

Allocations for the academic year 2016 to 2017 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2016 census, as follows:

- schools with 17 or more pupils receive £8,000 plus £5 per pupil
- schools with 16 or fewer pupils receive £500 per pupil

Summary of PPSG 2016-2017

How we aim to use the funding

At St. Joseph & St Bede we recognise the contribution of Physical Education to the health and well-being of our children. In addition, it is considered that an innovative and varied Physical Education curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

The governors agree that the money must be used so that all children benefit regardless of their sporting

ability and have agreed to spend the funding on:

- Specialist coaches in Physical Education
- Sports specific coaching sessions in gymnastics.
- Working in partnership with other primary schools to offer opportunities for able and talented children
- Provision of staff professional development through attending sessions led by highly qualified coaches
- Purchase of sports equipment subsequent to an audit
- Transportation to School Games competitions

We continue to place a high priority on our Physical Education provision and, as such, have invested in additional staffing/coaching and resources to further enhance the Physical Education curriculum and extra-curricular sports during lunchtime and after schools clubs.

Record of PPSG spending 2016-2017

Item/Project	Cost	Objectives	Outcomes
To buy resources for PE	£1200	Resources to support the teaching of PE lessons.	Resources were audited and then extra resources ordered to ensure full coverage of the curriculum and high standards maintained in PE lessons.
Employ a member of staff for running lunchtime and after school sports clubs.	£1452	A. Goddard to increase the number of children competing in sport. To increase the number of children participating in	Mr Goddard has run lunchtime and after school clubs in a range of sports. He has attended after school matches between other schools and the

		Inter-schools sport.	children have increased in confidence.
