

## EYFS Home Learning Information

Build models or pictures using empty packaging or paper shapes and talk about the shapes used.

Use an old sock to create a puppet. Can you put on a puppet show for someone?

Design and make an obstacle course at home or in the garden. How fast can you compete it?

Can you think of ways to develop fine motor skills, for example - threading, playdough, buttons and zips.

Think of ways you can practise building, writing and spelling words.

Thank a community hero, think of somebody that helps you in some way and make them a thank you card.

Make your own counting activity using house hold objects.

Tapestry is our main form of online learning and communication. Please check this regularly for ideas to support your child. Any learning you do at home can be uploaded too.
